

Internet Archive Messages From Our Lord Jesus Christ & Our Blessed Mother To Locutionist Little Mary

The Blessed Mother first came to Little Mary in a dream in August of 1994 and has received over 3000 messages from Jesus and Mary. She wrote the first message on January 11, 1995 and writes the messages in notebooks and shares them with her spiritual advisor.

January 11, 1995, Wednesday ~ Be Silent and Hear My Words.

My daughter, I have protected you. You were a virgin but then chose to become a mother. Look to the highest and crown Him with many crowns. Jesus reigns and is above all the earth. Cast away all your doubts and remain with us. This earth is so full of sorrow and doubt. Look to the skies because God can fulfill your every need. He had promised to keep you, hold you and protect you for He is your true Father and I your true Mother. Rejoice in the Lord always, again I say, rejoice. Be silent and hear my words for I am with you. Look at my heart as I am in yours.

January 12, 1995, Thursday ~ From the Lord Jesus: Look inside the Flower. Look inside the flower. There was once this tiny seed. Now your petals will open and you will blossom and grow in me. Keep your eyes open and beware of dark times. Blessed is the fruit of the womb, Jesus. Stay close to me and you will see the glory and power of eternity.

"From the very beginning my spiritual advisor was chosen by the Blessed Mother. My job as a messenger is to write and relay the messages. I have to ask God everyday for the strength and grace needed to do this. This is not always easy, it is not like writing a letter, and every word I write is embedded in my heart. Some messages are very strong and you feel Jesus' and Blessed Mother's pain."

In 2004 Fatima Priest, Fr. Robert J. Fox's wrote a book called "[Messages from the Heart of Our Mother](http://virginmary-messagebook.excerptsofinri.com/)" that contains messages from Jesus and the Mother of God, given to Little Mary. Our Blessed Mother and Jesus gave these messages with a note of urgency, stressing they are for the world. The Blessed Mother uses a certain style directed to all for as a good Mother, she desires to have her messages touch each and every one of her children. Mother Mary speaks in simple words and phrases so that her teachings can be understood by anyone. <http://virginmary-messagebook.excerptsofinri.com/>

Single Messages Concerning Life

*"Pray for those who are destroying life, for this is the greatest sin against God.
Life is precious in God's eyes and man must not destroy life."*

MESSAGE #2314 from the Blessed Mother May 8, 2002

My daughter, These messages are for all my children, not just for those who have been chosen to write. All must take a stand for life. All must do their part to make the Gospel known. Do not give up praying for an end to abortion. Pray more and pray the Rosary wherever lives are being destroyed. Join hands and witness to those who are choosing death instead of life. Protect life in love and through prayer.

Please dear children, move forward with courage and hope and do all that you can to save souls. Reach out to those doctors who are using their hands to destroy life. Reach out in love, so more come to know the truth before it's too late.

Satan desires to destroy life through hatred and abortion. Satan is viscous, but what you must remember is your prayers and your love for Jesus will make him flee. Your prayers are powerful if you pray, pray from your heart. Pray for the conversion of all sinners and for peace in the world. Pray every day, for Satan is strong and he is trying to destroy love in the world through division, scandals and the media. Satan is sly and will tempt those who do not know the truth. Satan will attack those who do not pray or trust in Almighty God. Prayer is your protection. Through prayer and true devotion to Jesus, evil can be destroyed. Never cease praying. Pray more; unite in love and unity. Pray each new day and carry Jesus in your heart, so that His love and mercy shine though you.

Please take this message seriously and pray more or you will see much more destruction and division. Without prayer, many more will choose not to walk with my Son, Jesus. Now, please unite in prayer, in harmony and in love. Amen.

MESSAGE #2389 from the Blessed Mother October 10, 2002

My daughter, Each child is so special in God's eyes, so please tell my children to respect and be open to life. Too many today are telling God how many children they want, instead of being open to how many children God wants them to have and care for. So many today do not trust in God's Will for them.

Please, dear children, allow God to be in control of your lives. Allow God to decide who should live and who should die. Allow God to be first in your life so you seek Him before making decisions. Place your trust in Jesus' Most Sacred Heart. Be confident in God and open to His wisdom and grace. Come to Mass and nourish your soul, for this is how you will experience Jesus' presence within you. Come as true believers and listen closely to the Gospel. Listen and then reflect and respond to what God is telling you. Pray and give yourselves completely to God and then trust that He will not forsake you.

This is the time to turn back to God with your whole heart. This is the time to renounce sin and be converted. This time is so important, so please respond by truly giving your life to God. Respond and turn to God so that your life truly becomes more pleasing to Almighty God.

You are each so special to God, so be thankful and embrace His love that He has for each of you. Amen.

MESSAGE #2400 from the Blessed Mother October 31, 2002

My daughter, The battle is on, and my children must be true warriors for Christ. They must put their armor on each new day and march, march in unison.

I say to all my children, prepare now for the many battles yet to come. Prepare now and live, live your faith. Prepare now by truly taking refuge in Jesus' Most Sacred Heart. In order to prepare your hearts, you must first decide whose side you want to be on. You must then renounce evil and live each day for Jesus Christ. You must be true believers and not live a lukewarm life. You must let go of all pride and be humble servants for our Lord.

Please, dear children, do not allow Satan to rule your life. Satan's venom is strong, and he is truly in search of souls. Satan loves war, and he truly wants to destroy this world. Choose now to work with Jesus and walk, walk with Him. Trust in His assistance, and cooperate by truly living a life that is pleasing to Almighty God. Be meek and humble, and allow God to be in control of your life. Desire only what God desires, and give up your worldly ways. Obey each commandment, not just the one that is easiest for you. Sacrifice and do penance each new day. The time will come, and each person will see their soul. Woe to those who are living in sin. Woe to those who have abused this time to truly come to know God. Love, prayer and fasting is how the enemy will flee. Daily Mass and frequent confession is how you will be nourished and strengthened. Discipline and a commitment to serve Christ is how you will stay humble.

Now, please accept my motherly advice so that change can happen in your lives. Each of you must be prepared, so please respond and accept the truth. Live the Gospel with joy in your hearts, and live each day for Jesus Christ. Amen.

MESSAGE #2403 from the Blessed Mother November 6, 2002

My daughter, God truly loves, loves all His children, for each child is precious in His eyes.

Today I ask my children, do you truly appreciate God's love for you? If so, then you must be a more thankful people and be more grateful for the many blessings God has given each of you. You must cherish life and do all that you can to save souls. You must work together and pray, pray more. You must pray and love one another and take hold of your family. You must rescue those who have turned away from God and live, live in harmony. You must allow God to be first in your lives, so that you do not give in to the world.

Each of you must do your part in spreading these messages of love to the entire world; this can be accomplished by your example. If you truly live these messages, more will come to know the truth. If you reach out in love, more will see Christ in you. If you take a stand for life with love in your hearts, more will come to know the truth. Abortion will end if people truly come to know God's love for them. You must begin now to put your words into action. You must be true servants and be loving, humble children. You must obey all of God's commandments if you truly want to be an example to all your brothers and sisters.

Yes, prayers, many prayers are needed, but so too are your hands and your actions. You must imitate Christ and truly live the Gospel. You must be open to whomever God sends to you, for there are so many who are suffering in so many ways. There are so many homeless children who need to be cared for in the proper way. You must allow God's Holy Words in Scripture to be a part of your life. You must receive the Sacraments often so you have the Grace needed to live a holy life.

You must truly live the Gospel, or I am warning you, a great darkness will cover the world. Many will suffer if you don't go forth and use your hands and voice for Christ. Many more lives will be destroyed if you do not take a stand for life. The day is near, so I plead with you today to pray more. I plead with you to do your part so more souls are saved. Live these messages and truly love, love one another by your actions. I will truly be there for those who listened to me and who put into practice my messages.

Now, please obey God and turn to Him each new day. Obey God and listen, listen as He speaks to you. Do what God is asking of you and live, live your faith. Abortion is the greatest sin in this world, so please join hands and do your part so more come to know God's love, mercy and peace. Pray and do your part so lives are not destroyed. Each soul is precious in God's eyes, so please be thankful now and cherish this time to go forth and save souls. Amen.

MESSAGE #2501 from the Blessed Mother July 11, 2003

My daughter, Pray for those who are destroying life, for this is the greatest sin against God. Life is precious in God's eyes and man must not destroy life. Man must cherish life, not destroy it. Woe to those who are not obeying God's commandments. Woe to those who are choosing who should live and who should die. Prayers are truly needed, for many abortions are taking place all around this world. All must be willing to take a stand for life. All must do their part to save souls.

I say to all my children, join hands now and pray for an end to abortion. Pray for those who are living in darkness and who are taking part in destroying lives. Pray that more will turn to God and do penance for their sins. Many, many will suffer if they do not repent and amend their ways. I plead with you today to pray, pray more. I plead with you to do your part in saving souls. I am asking you to pick up your cross and make sacrifices for the salvation of souls. I am asking for your assistance, for abortion is on the rise, so please protect the unborn through prayer, unity and love.

Reach out to all your brothers and sisters and help those who are in need. Help those who are listening to Satan's lies, for he truly wants to destroy as many souls as he can. Satan is vicious and he will attack wherever one is weak. Teach my youth so they make better choices on this earth. Teach them to live holy and chaste lives. Teach all who will listen so more turn to God before it's too late.

Please heed my words of truth, for the time, dear children, is drawing near. God will not have mercy on those who are destroying lives, so please, please respond and pray, pray more. Respond by doing your part so more souls can be saved around this world. Prayer and action on your part can truly save souls, so please do not abuse this time, do more. Do not become lax in prayer, pray more. In time you will each have to answer to God, so please do not be lazy children.

Now, please implore God's mercy and adore Him in the Most Blessed Sacrament. Spend time with Jesus and do all that He is asking, asking of you. Life is your gift, so please be more thankful and do all that you can to save souls. Be thankful for God's goodness, mercy and love. Amen.

MESSAGE #2524 from the Blessed Mother September 8, 2003

My daughter, Today is a day to give thanks to God for life. Life is precious and one must be grateful and make the most of each new day. One must strive to live a holy life so they can one day be in Heaven with my Son, Jesus and all the Holy Angels and Saints.

This earth is temporary, so please take hold of your life. Do all that you can to serve Christ. Do all that you can to light the way for others. Begin by truly living the Gospel. Begin by keeping your focus on Christ. Begin today and respect and cherish life.

Treat all your brothers and sisters with love and kindness in your hearts. Be forgiving, loving children and do not harbor hate in your hearts. Have compassion on the sick and those in need of assistance. Listen and assist those who are choosing darkness.

Keep your homes open for those whom God sends to you. Do not turn your back on those who have been rejected by society. Keep your hearts open and adopt those children who do not have a home. Keep your hearts open and cherish life, for each child has a soul. Each child needs love, unconditional love and respect.

Now, please make time for prayer and pray, pray together as a family. Make time for prayer and give thanks to God for all the Graces He has bestowed on each of you. Amen.

MESSAGE #2598 from the Blessed Mother March 8, 2004

My daughter, All must be grateful for this time that God has allowed so that His children would repent and amend their ways.

One must ask themselves today, are you truly grateful, grateful for this time to turn your life around? Are you praying as you should and truly building your relationship with my Son, Jesus? The wise are those who are grateful, for they will truly come to know our dear Lord, Jesus.

Dear children, you must believe that time is short on this earth. You must believe that God is merciful and that He always warns His children first. Many warnings have been given, but yet so many are still sleeping.

Today, I plead with my children to take heed to the Gospel. I ask that you turn away from sin and live a life that is pleasing to God. I ask that you come to Mass more often so you stay close, close to Jesus. I ask this of you because it is impossible to walk alone. Each soul needs nourishment in order to stay healthy. True nourishment comes from my Son, not the world.

Please let go of pride and laziness and kneel, kneel before our Lord. Ask God to help you overcome your desires so that you grow in holiness. Ask and I promise you, God will help you let go of those things that are hard for you to give up. God is love and He truly cares for each of you. God is merciful and He is always there to assist you.

Please, dear children, allow God to be in charge of your life. Allow God to assist you so that change can occur in you. Don't wait to change your ways, turn to my Son now. Turn to Jesus and He will truly help you carry each new cross.

I plead with you once again, keep your hearts open to prayer, fasting and being obedient to my Son. Keep joyful hearts and do not allow evil to rule your life. Be open to all that God and I are asking of you and keep climbing God's Holy Mountain.

The way, dear children, is forward, so please pray, fast and do penance for your sins. Remain faithful now and avoid the things of this world which are hindrances to eternal life in Heaven. Amen.

MESSAGE #2619 from the Blessed Mother April 26, 2004

My daughter, Many today are not obeying God's Commandments. Abortion is murder and it is not acceptable in God's eyes. All of Heaven weeps when they see so many innocent lives being destroyed. It is not man's choice, who should live and who should die. Abortion is on the rise due to disobedience to God's laws.

All must take a stand for life and make the Gospel known. If man continues to destroy life, they will see much more destruction. God will not have mercy on those who are choosing to live in mortal sin. God will not have mercy on those who know the truth and who refuse to defend life.

Bishops must not remain silent. They must shepherd their flock and make the truth known. They must let the world know that abortion is murder. They must defend life and teach others what is morally right and what is morally wrong. Bishops must teach the truth to all their brothers and sisters.

Dear Bishops, there is no longer time to be ignoring what is happening around this world. Each time an abortion is performed, the earth trembles more. It is time now to use your hands and voice for Christ. It is time for you to wake your flock, for many are living in mortal sin. Many are making up their own rules and are picking and choosing which Commandments to obey.

Dear Bishops, many, many Catholics are sleeping and they need to hear the truth. It is your turn now to go to the pulpit and wake your flock. Make the Ten Commandments known and pray, pray for an end to abortion. Make the word repent known, for many are living in mortal sin. Be firm and let the world know that hell exists. Sin is sin and you can no longer be silent.

I am addressing Bishops now because many Priests are sleeping. God truly needs your assistance, so please do not ignore Heaven's call. There cannot be world peace when abortion is on the rise. There cannot be unity when so many are not living their Catholic Faith. Jesus' wounds are bleeding profusely, so please, please do your part for the salvation of souls. Pick up your cross and be willing to be persecuted for making the Gospel known. Pick up your staff and be true leaders.

The greatest sin in this world is abortion, so please do not be silent. Defend life by truly using your hands and voice for Christ. I will assist you, so please do not be afraid. I will assist you, for I am truly here now to wake those who are sleeping. I am your heavenly mother, so please do not ignore my messages that are being given around this world. The truth must be made known, for there is no longer time to be silent.

This world is in danger, so please be true shepherds and guide your flock. Time is running out, so please do not delay. Time moves quickly, so please pray and then do your part for the salvation of souls. Amen.

MESSAGE #2630 from the Blessed Mother May 18, 2004

My daughter, Those who believe in God must obey His laws. Those who are breaking God's Commandments are not living their faith. Those who are promoting abortion are breaking all of God's Commandments. One cannot say they love God when they are choosing to destroy life.

How I weep when I see so many children making up their own rules. I weep because many today are taking the easier road. So many souls are in danger because they are refusing to obey Almighty God. So many innocent children are being slaughtered in their mother's womb, yet many remain silent.

I say to my children , those who support, endorse or practice abortion will suffer, suffer tremendously. God will not have mercy on those who are choosing death instead of life. Abortion is a horrible sin and many, many will have to answer to God. I say to my children, repent of your wicked ways. Stop killing, stop fighting and turn your lives around. Stop listening to Satan, for he is full of lies. Abortion and contraception is truly destroying the family.

Today, I must warn my children, for so many are giving in to Satan. If man does not repent and take a stand for life, God's Justice will prevail soon. The sky will darken and the sun will fall upon this earth. Arrows of fire will scorch this earth and each abortion site will be destroyed. Many will try to run, but they will have nowhere to hide.

It is time to wake up and take a stand for life. It is time to take heed to what your Most Holy Pope is telling you. He has been chosen for these times, so please, please listen to Him. Do not give in to those leaders who are promoting abortion. Do not go to those doctors who believe in abortion and contraception. They are not listening to God. They are not obeying God's Commandments. They do not have healing hands, for they are taking part in destroying life.

I have been warning my children for some time now, yet many are still disobeying God. America, you are being warned. Abortion is the greatest sin and destroyer of peace. If this world does not convert, you will face serious consequences. If man continues to destroy life, the earth will tremble, tremble more.

Your prayers are truly needed. Your hands and voice can make a difference in this darkened world. Let the world know that abortion, euthanasia and the practice of homosexuality are wrong. Let the world know by your prayers and example that God truly exists.

It is time now to protect the family, so please take part in saving souls. Amen.

MESSAGE #2685 from the Blessed Mother October 13, 2004

My daughter, Those leaders who are not for life will not protect this country; their hearts are cold and they are disobeying God's Commandments.

Those who believe in abortion are being fooled by Satan. Satan loves death and will do all that he can to destroy life. Life is precious in God's eyes and one cannot pick and choose which Commandments to obey. One cannot decide who should live and who should die. Abortion is the greatest sin in this world. Abortion is murder and is not acceptable in God's eyes.

Please, dear children, do not be fooled by Satan. Do not give in to his evil ways, for he is the serpent of lies. Do the opposite of what Satan is telling you and be willing to stand up for the truth. All faiths must respect life. All must join hands and pray for an end to abortion. All must live God's laws and be loving towards one another.

Please take time now to examine your conscience. Take time to pray and repent of all wrong doing. Take time to converse with God so that you truly come to know the truth. The truth, dear children, will be revealed to you, but you in turn must spend time with God.

Today, I ask that you fast and pray so more choose life instead of death upon your soul. Pray for your world leaders. Pray for your Priests so they truly shepherd their flock. Today is a day to pray, for hell truly exists. Many souls are on the wrong path so pray, pray throughout the day.

I am here to guide you, so please listen, obey God and live, live each Commandment. Amen.

MESSAGE #2692 from the Blessed Mother November 1, 2004

My daughter, My heart is sad because so many of my children are not listening to God. Many are giving in to Satan's evil ways when they do not take a stand for life.

America, I am warning you, there will be terrible consequences if you do not protect the right of the unborn. Listen and obey, obey God's Commandments. Do not listen to the world, for the world is truly crucifying my Son each time an abortion is performed. It is not your choice who should live and who should die. Each abortion draws you closer to a terrible punishment upon this world.

The wrath of God is at hand, so please, please dear children, pray more. Pray that more will repent before it's too late. Pray that more will examine their conscience and do what is right. It is time now for Catholics to obey Church teaching. It is time for all Priests to let go of fear and take a stand for life. This world needs to be fed the truth, so please be true apostles and live, live your Catholic faith.

Now, please do not be fooled by those leaders who say they will protect this country. Do not be fooled, for this country will not be protected if your leaders do not respect life. This message must be made known, for many deny that life begins at conception. Many deny that abortion is the greatest sin in this world.

Today, is a day of prayer, so please gather and pray, pray from your hearts. Gather and pray and ask all the Holy Angels and Saints to intercede for you. Go forth now, just as the Saints, and live and defend the Gospel. Amen.

MESSAGE #2933 from the Blessed Mother November 6, 2006

My daughter, If my children speak the truth, they must also live the Gospel. They must live pure and holy lives. They must obey all of God's Commandments.

Many today are not obeying all of God's Commandments. Many are falling into sin because they are giving in to worldly ways. If you are picking and choosing which Commandments to follow, you will give in to temptation. You will be entangled by the serpents tail if you are living a dishonest life. Dear children, you cannot preach the truth and then choose to live a sinful life. You must trust in God and follow His holy way. Satan will tempt each of you and without God's grace and guidance, you will give in to the enemy.

Please, dear children, armor yourselves with the truth and live, live the Gospel. Stay close to Jesus' Most Sacred Heart and receive the Sacraments as often as you can. Cleanse your soul regularly so you have the grace needed to live a holy life. Do not think you can survive in the world on your own; you need God's assistance, you need God's mercy and grace. You need to turn to God and use the protection He has given you on this earth. You cannot live a lukewarm life. Evil has become widespread and you need to be on guard each new day.

I am here to teach my children, but you in turn must obey. You must pray and live the Gospel and turn to God each new day. You will not be deceived if you respond wholeheartedly. Practice all that I am teaching you and keep your focus on Jesus. The world is no longer safe and many are falling deeper into the pit. Please wake up and live, live your Catholic Faith.

Now, please put your armor on and live pure, holy lives consecrated to Almighty God. Amen.

MESSAGE #2998 from the Blessed Mother June 11, 2007

My daughter, Turn to God and He will truly give you the strength to move forward. In days to come, many will suffer if they do not turn to God for guidance. Many will not know which way to turn if they are relying on their wealth.

I say to my children, turn to God and accept His love for you. Surrender and love Him more than your wealth. Give to God all that is preventing you from living a life of holiness. Do not wait to turn your life around. Repent and amend your ways now.

Different events will arise and each of you will need to be strong in your faith. You will need to trust and believe no matter how dark this world becomes. You will need to listen to My Son so you are guided in the right direction. If you do not have trust in your heart, you will not hear God.

Please, dear children, spend time with Jesus and trust in His loving guidance. Trust and accept God's Will in your life. When you trust and surrender yourselves to God, He will truly walk with you. You will have nothing to fear if you allow God to be first in your life.

Now, please trust in My Son and believe, believe that God truly exists. Trust and believe and move forward with love and joy in your hearts. Amen.

MESSAGE #3004 from the Blessed Mother July 16, 2007

My daughter, The Gospel must be spread, so please continue to write and relay my messages around the world. All must do their part so more come to know My Son, Jesus.

Please, dear children, pick up your cross and be willing to be persecuted for making the truth known. Abortion is on the rise, so please take a stand for life. Let the world know that it is God who decides who should live and who should die. Each child has a soul, so please join hands and protect and cherish life. My heart weeps each time another life is destroyed. Please pray and ask God to use you so more souls can be saved. Please pray and take part in healing Jesus' wounds. Pray and use those gifts God has given you. Pray and do penance. Be true servants for Our Lord.

So many sins are committed each day because evil has become widespread. Do not choose to walk by Satan's side, for his venom is strong and he loves war. The time for great trials will come and you will need to be strong warriors for Christ. There will be changes and you will not have peace if you are living a lukewarm life. Humanity does not want to believe, but I say to my children, punishment is near. The godless will be destroyed. God's anger is overflowing, so please wake up and live the Gospel.

Wake up, join hands and gather in those groups that I have formed. Pray and prepare your soul and live each day for Christ. Amen.

MESSAGE #3020 from the Blessed Mother September 20, 2007

My daughter, The Gospel must be spread so more come to know My Son, Jesus.

Please, dear children, join hands and live your Faith. Speak the truth or you will see darker days. Please take part in healing Jesus' wounds. When you live a lukewarm life, you add wounds to Jesus' Most Precious Body.

Abortion is on the rise because my children are not taking a stand for life. Please work together and assist those children who are on the wrong path. Assist those mothers who are unable to care for their children. These mothers need to see Christ in you. Please be loving, caring children so more turn to God instead of having an abortion.

Through prayer and sacrifice on your part, each of you can make a difference in this world. If you use your hands and voice, life will not be destroyed. Allow the Holy Spirit to guide you so more see Christ in you. Each of you must do your part in order to be true servants for Our Lord.

Now, please pick up your cross and take a stand for life. Pick up your cross, obey God and be willing to serve Our Lord. Amen.

MESSAGE #3046 from the Blessed Mother January 4, 2008

My daughter, Change cannot happen if my children do not repent and turn to God. Many today do not trust in God, they are relying on their wealth and are living a lukewarm life.

How I weep for those who are not obeying God's Commandments. Abortion is the greatest sin in this world and you each need to take a stand for life. You cannot say you love God if you are disobeying His Commandments. Life is precious in God's eyes, so please do not allow the world to fool you. Do not listen to those who are refusing to take a stand on life.

The world will become darker if man continues to give in to Satan. You must protect life and believe that it is God who decides who should live or die. I am warning my children that punishment is near for those who are destroying life. Obey each Commandment and armor yourselves with purity, humility and love. Satan is full of lies, so please rebuke him.

I say to all my children, repent, get down on your knees and pray. Pick up your cross and bind your Rosaries around the world. Prayer is your protection and without more prayer, you will see darker days. America, prepare, prepare now. Turn to God and allow Him to purify your soul. Amen.
